1	36	engine with (intake exhaust) near valve with cam with variable with actuator	USPAT; US-PGPUB; EPO; JPO; DERWENT; IBM_TDB	2004/09/05 17:47
2	0	(engine with (intake exhaust) near valve with cam with variable with actuator) with map	USPAT; US-PGPUB; EPO; JPO; DERWENT; IBM_TDB	2004/09/05 17:46
3	0	(engine with (intake exhaust) near valve with cam with variable with actuator) with altitude	USPAT; US-PGPUB; EPO; JPO; DERWENT; IBM_TDB	2004/09/05 17:47
4	0	(engine with (intake exhaust) near valve with cam with variable with actuator) with controller	USPAT; US-PGPUB; EPO; JPO; DERWENT; IBM_TDB	2004/09/05 17:47
5	451	engine with (intake exhaust) near valve with cam with variable	USPAT; US-PGPUB; EPO; JPO; DERWENT; IBM_TDB	2004/09/05 17:47
6	0	(engine with (intake exhaust) near valve with cam with variable) with controller with map	USPAT; US-PGPUB; EPO; JPO; DERWENT; IBM_TDB	2004/09/05 17:47
7	13	(engine with (intake exhaust) near valve with cam with variable) with controller	USPAT; US-PGPUB; EPO; JPO; DERWENT; IBM_TDB	2004/09/05 17:48
8	126	(engine with (intake exhaust) near valve with cam with variable) with (speed load pressure)	USPAT; US-PGPUB; EPO; JPO; DERWENT; IBM_TDB	2004/09/05 17:48
9	0	((engine with (intake exhaust) near valve with cam with variable) with (speed load pressure)) with altitude	USPAT; US-PGPUB; EPO; JPO; DERWENT; IBM_TDB	2004/09/05 17:49
10	0	((engine with (intake exhaust) near valve with cam with variable) with (speed load pressure)) with lookup	USPAT; US-PGPUB; EPO; JPO; DERWENT; IBM_TDB	2004/09/05 17:50
13	0	((((engine with (intake exhaust) near valve with cam with variable) with (speed load pressure)) with control\$5) with "lookup map"	USPAT; US-PGPUB; EPO; JPO; DERWENT; IBM_TDB	2004/09/05 17:52
11	64	((engine with (intake exhaust) near valve with cam with variable) with (speed load pressure)) with control\$5	USPAT; US-PGPUB; EPO; JPO; DERWENT; IBM_TDB	2004/09/05 17:54
14	0	((((engine with (intake exhaust) near valve with cam with variable) with (speed load pressure)) with control\$5) with injection near quantity	USPAT; US-PGPUB; EPO; JPO; DERWENT; IBM_TDB	2004/09/05 17:55
